“ In June, 1984, I was in a car accident right outside of Athens. Mrs. Thornton was one of the first people to come upon the scene. She got in the car with me. I was unconscious and slumped. She got in the backseat and held my head upright so that I could breathe until the paramedics arrived. My parents, David and Phyllis Sain, met her on several occasions when my father was preaching in the area. They said she was a kind, Godly woman...and she was my Good Samaritan. Your family is in my prayers.

“ Our most heartfelt condolences to husband Larry and sons Chuck and Bryan and their families. Sue was such an important part of all our lives. Every Rose family reunion always included Sue and Larry. Sue was so much fun to pick on and hear her laugh. Barry has told me so many stories of Sue when she lived with them in Albuquerque New Mexico, and they made me laugh so hard. We will miss our dear beloved "Aint Sue" so much, our lives will never be the same. Our prayers to the families who are grieving over this terrible loss. Our love to everyone, wishing we could be there, but that 1000 mile trip for us was not going to work out for us.
