“ I had the honor of working with Mack at TRW in the mid 1980's and early 1990's. The one thing I remember most about Mack was if he sunk his teeth into an issue something was going to get done! Years later I had the opportunity to work with Rita and learned that the apple didn't fall far from the tree, when Rita sinks her teeth into an issue something is going to get done, sounds familiar. These are extremely positive attributes to me and I'm sure the family will miss Mack and his strengths greatly. We are thinking of your family at this trying time. Jerry & Sandi Perkins
