“ *MISS ME BUT LET ME GO*

When I come to the end of the road, and the sun has set for me. I want no nights in a gloom filled room. Why cry for a Soul set free? Miss me a little but not too long. And not with your head bowed low. Remember the love we once shared. MISS ME BUT LET ME GO For this is a journey that we must take alone. It is a part of the Master's plan. A step on the road home. When you are lonely and sick of heart, Go to the friends we know. and bury your sorrow in doing good Cheer Miss Me But Let Me Go.

“ *Do Not Stand at My Grave and Weep*
Do not stand at my grave and weep,
I am not there... I do not sleep.
I am the thousand winds that blow...
I am the diamond glints on snow...
I am the sunlight on ripened grain...
I am the gentle autumn rain.
When you waken in the morning's hush,
I am the swift uplifting rush
Of gentle birds in circling flight...
I am the soft star that shines at night.
Do not stand at my grave and cry—
I am not there... I did not die...
