“ It has been a year since Marshall's death, and I still miss him, even though I live many miles away in Indiana. We first met at a GM truck show in Pigeon Forge in 1999. Ten years later we renewed that acquaintance at a car show in Huntsville, and remained good friends from that time until his passing. I will always value and cherish my friendship with Marshall and Linda. I was very thankful to have been able to spend an hour or so with him at his home just a few days before his passing.

My very best to Linda and the rest of Marshall's family. Scott Wallace
