“ Martha was a neighbor many years ago, and the sister of our next door neighbor Mary Will. Martha was such a sweet lady and I am so sorry for your loss. I remember so well when they lived down the street. My mom was Louise Griffin who we lost in October. Such sweet memories of them all. My condolences to the whole family.

“ I had the privilege of being one of her caregivers before she moved from her home on Forrest Ave. Martha was one of the sweetest kindest ladies ever put on this earth. She had more energy than all the rest of us put together. I will remember her beautiful laugh forever. God bless you sweet Martha. Lynda Thompson

“ So many precious memories of dear Martha. Too many to list. I always told her that I wanted to be her when I grew up, a goal that I will always aspire to for sure. She made me a better person simply by sharing her space for such a brief time. I love her from my soul and praise God for our time together. I can't wait to see her again. God bless her family during this bittersweet season.
