Miss Martha was one of the sweetest ladies I've ever met. I work for the last several years. She was aware of all my health issues and she worried about it constantly as far as buying a small air conditioner unit to put around my neck, my neck in hot weather you don't have to stay around this month very long to know that she was a devoted Christian that was always talking about her ladies group at church and asking you where you want to church and if you had a relationship with God. She was not shy of that subject. I'm gonna miss sitting in my recliner here in a few minutes of downtime just to pick at her. She was a true friend that I will desperately miss.
