“ *Eunice, I know you are just devastated; I am so sorry you are having to go through this. Marty's sweet spirit will live on here on the Elk River, as he drew the plans for the house I am still in, some 24 years later. He was so much help to me. I didn't know what I was doing! I will be carrying you in my heart. Peace, Love, and Light

“ Boonie, I'm so, so sorry for your loss and deeply saddened by the news of Marty's passing. I had the privelege of working with Marty several different times, as far back as luka, MS. He was a great guy. He was so proud of his family, complementing them and speaking of their accomplishments and so forth. He was crazy about you and always had wonderful things to say about your marriage and his life with you. I have fond memories of Marty's laugh and pig knuckles for breakfast. Marty is floating and fishing the Sea of Galilee now. Marty will be sorely missed.

“ Our hearts, thoughts, and prayers are with you Boonie, and the entire family for your loss! I was Blessed to know and work with Marty for 15 years. The last couple of years before his retirement he kept me sane (which was very hard for him to do because he did NOT have much to work with!)! If you need me your daughter and granddaughter have our phone numbers. Please remember God is our strength, our peace, our comforter during times of great loss!
