“ We have such fond memories of Mary Lou and Joe - sitting with them on their porch on West 11th Street in Washington, NC. We were their next door neighbors. Mary Lou was always so sweet and kind.

Jim being a chemistry major thoroughly enjoyed conversations with Joe.

Please know that you all are in our thoughts and prayers. Find peace and comfort in special memories and know that your mom and dad are certainly enjoying each other's company again.

“ I worked with Mary Lou for many years as a medical transcriptionist at Quadrangle Medical Specialists (now Physician's East) . She was such a loving, pleasant coworker at all times. She had our department over to her house one year at Christmas for a party. She loved her family and spoke of them often. Rest in peace my friend.
