“ Hello, I’m sorry for your loss. Mary was a true friend to me. One thing I remember most is that she always had a smile and something nice to say. I ask Mary one day what was her nickname, she replied “they call me peanut “ ! From that day on I called her “peanut” ! Even though the pain will never go away, I pray that the pain will be tolerable. May God bless your family with good health, wisdom, and wealth today and always! Mary’s coworker Tamika Stringfellow,
