“ I have been truly saddened since hearing of Aunt Mary’s passing. I will never forget her! She was consistently kind, gentle, sincere, soft-spoken, and non-judgmental. When Aunt Mary would ask, “How are you, Gerard,” it was clear that she was genuinely interested – that she really wanted to know how I was doing. Aunt Mary accepted me at face value, and always took time to chat with me, even when dozens of other relatives were present with whom she also wished to visit.  
The consummate class-act – we are all fortunate to have had time with Aunt Mary.

“ Jodie and Uncle Frank,  
I was so sad to hear about Aunt Mary. I have so many fond memories of the many times Naomi and I stayed at your house when Jodie was in high school or for family parties. She was a wonderful lady. Love to both of you.
