“ Lisa and I were saddened to hear of Mary's passing. I met her through my brother-in-law Shelby and she was always a lot of fun @ the various family get togethers I was able to attend while home from the Navy and later on when I would visit from Maryland. Mary would tell stories of when they were all kids growing up and the fun her, James Allen and Shelby would have. She always seemed to have something nice to say to me and would always find time to talk to me about my life in the Navy. An Alabama fan too. Her and I had that in common for sure. God speed to you Mary. You are with your Daddy and grandparents in a better place and you have found peace.
