“ My heart goes out to each of you as i remember Nancy. As we get older we lose contact and only run into each other once in a while. Nancy and David were our close friends as we begin our married lives. Our daughter and their children were born and over the years time just flipped us by without staying in touch. We always ask about them when seeing relatives as i am sure they did us. Will never forget our many times together. Nancy rest in peace my friend.
