“ *I was saddened to learn of the death of Wheeler. He was such a special friend to My Special Friend, Betty Hester. Wheeler was always a happy person. A warm welcome always accompanied him with that big smile of his. I extend sympathy to the family of this friend.*

To my friend Betty, You went the extra mile with Wheeler during his extended illness. You have no regrets. I know you will miss him terribly. May your happy memories sustain you through this most difficult time.

When someone we Love becomes a MEMORY, then that MEMORY becomes a treasure.
