“ About 25 years ago I met Chris at DGH where we both worked and became good friends through our mutual involvement in Camp Bluebird ! Chris and I were always roommates at Camp. That's where I learned about and soon met Mike. James and I were invited to their home on several fun occasions. It was ALWAYS fun with Chris and Mike and their many friends! I fell in love with Mike right away just as I had Chris! They were like family! Mike was the life of the party and had a magnetic personality that drew you close to him. Mike and Chris were a dynamic couple and loved each other like no other. Other than my own marriage, I have never met 2 people that were more happy together! We moved to Florence for 9 years and then to Huntsville in 2009. We lost touch with Chris and Mike during that time but I believe it was a friendship that we could have picked up right where we left off. James and are so thankful for the times we had together and will cherish the memories we made!!! Chris, we will keep you and the girls and family in our prayers! I know the days ahead will be so difficult! May God give you what you need for each day. Hopefully we will see each other again soon! Love you so much, James and Nelda 🙏❤️
