“ I am deeply saddened by the news of Mildred's passing. I first met Mildred when I joined the Limestone Democrats back in 2008 . She welcomed me in. . We became friends and we shared recipes and stories. We kept in touch even when we no longer attended regular meetings. Her devotion to the Limestone Democrats was exceeded only by her love for her family and her church. I will miss her so much ." May wings of angels take her to her rest!"
