“ *From the time I first met Nancy in about 2004, I became a Nancy "wannabe". I admired her poise and elegance and how "together" she always seemed. We got to know each other through Civitan and through mutual friends Marilyn and Gerry Ford, first going with them to Sassy's Fraz to listen to music and eventually becoming, I think, good friends on our own. I've been thinking a lot about things we did and thought I would share of couple of memories. She and I loved turnip greens and a couple of years ago we went out to Wilma Bailey's and picked greens from Lynwood's garden. This year, knowing she had started treatments, Wilma brought greens to her. Nashville went with our red hat group to Nashville to Christmas Village one year and although we would have never gotten her into a red hat, she did wear a red jacket. I miss her very much already. I wish I had known her longer.*

“ Neysa, Jim, Kelly, Cole, Max & Katie, Gerry and I will miss your mom and grandmother more than you will know. She was such a blessing in our lives! Nancy was such a talented person, her painting, cooking, gardening and decorating. She was a sweet southern lady. Our thoughts and prayers are with you at this sad time.

“ Dear Neysa, Jim, and Nancy's other dear family, I was so very sorry to hear of Nancy's passing. She was such a dear and beautiful lady and such a sweet friend! I have not seen her in a while since we having been living in the Birmingham area, but she has been much in my thoughts and prayers during her illness, as you are now.  
The world is a less brighter place now--she will be greatly missed.
