“ I was so very sorry to hear of Jil's passig. I did not know about her illness, we had not seen each other in several years. She was such a sweet, sincere person. I am so thankful for having known her. And, I am so sorry she is no longer here, but I'm sure the angels are happy to have her among them. You all will be in my prayers. May God Bless and comfort you.

“ I was so sorry to hear about Jill. Unfortunately, we had lost contact through the years but I have great memories of Jill. We were very good friends in high school and she was one of the best friends I ever had - one of the sweetest and most genuine people I've ever known. I loved Jill and am so sorry I didn't even know she had been sick. God Bless You All, my prayers are with your family. Penny

“ I don't know if you remember me or not but I was a friend of Jill's during our pre-teen days back in Athens. I'm in Virginia now and just found out about Jill's passing. Although I haven't seen/spoken to her in about 25 years, my heart is still so sad to hear of her passing. I have thought of her and our childhood friendship often and upon hearing this news, I'm finding solace in my wonderful memories of spending time with her and that beautiful german shepard dog (was he named Sam or Fred?). Please know my thoughts are with you.
