“ I can still hear her laughing when they all were playing Canasta. Always made me feel good. I spent many nights at her house. She was like my second Mama. She was a wonderful woman.

“ I knew Patsy from school and also worked with her at Eaton. She was the funniest and sweetest person I knew. After a few minutes around her, you couldn't help but be in a good mood. My thoughts and prayers are with you during this difficult time. Patsy will be missed by all that knew and loved her.

“ I only met Patsy once but had the pleasure of speaking to her on a couple of occasions. I know how much Eric loved her and I know she has missed him so much. I know they are happy to 'sit a spell and rest their face and hands'. So sorry Mrs Griffin and the King grandsons for your loss. God bless in the days ahead. Barbara Goode

“ There is not enough room to write all the wonderful, youthful memories I have of Patsy. She was the best friend I ever had. We grew up together and got into more harmless mischief than you can imagine! We always had fun and tried to make sure everybody did. She was as at home at my house as she was at hers. As we aged we didn't see each other as much, but we loved each other just the same and it didn't take us a second to reconnect . She will always have a place in my heart.

“ I am so sorry to hear this. Patsy was a wonderful person. One of my favorite cousins, I could share many memories of when we were growing up, we lived down the road from her and Aunt sis, also my favorite aunt, almost like mama number 2 when we were young. I always love it when I got to see her. Patsy I will miss you at family reunions and family get togethers, love you sweetie. Donna Carol Hamley - Graham, There are way too many good memories of her.
