“ Paul was born in sunny California, and we grew up in Seattle. Paul was my brother, just 16 months younger. As kids, we spent lots of time riding bikes and fishing in the woods. Later we were in Boy Scouts and Lutheran Confirmation. Dad built his own boat and taught us how to drive. Paul liked water skiing better than snow skiing, which he said was too cold for him. With baseball and golf, Paul was considered a Pro. Lightning quick reflexes, and calm under pressure.. One of my best memories of Paul is when he and I took a road trip to Banff Canada. Paul was strong and determined, yet always gentle and kind. He taught me much, and I miss him.

“ Though I had the privilege of knowing Paul just a few years he will live forever in my memory. He was kind, thoughtful and loved to laugh. Paul was always thinking of his sister, Blue, She took stellar care of Paul; ensuring he had everything he needed to make life a little easier. Paul is gazing down from heaven at Blue smiling. Will miss him but know he is in a much better place.

“ My dear brother Paul was born, raised and lived most of his life in Seattle. He lived a very active life full of joy and happiness. The Burgess family wants to thank the good people of Athens who knew and befriended him the last few years of his life. You made Paul feel welcome in your town. We will all miss him very much.
