“ Miss Griffin. What a gracious, thoughtful, and talented lady who will be missed by all she touched...and dressed. Our paths first crossed in the '60's when she became seamstress for me and several friends. Good memories of carpooling to her house with a trunk load of fabric which she crafted into beauty. My sympathy is extended to all the family.

“ Pauline you were always a very good and super nice woman to me. You welcomed me into your family 24yrs ago and I always thought a lot of you. I'll never forget you are the quilts that you had made for me. Those homemade quilts were some of the best gifts I have ever gotten and from my husband (Greg Griffins) G'ma and that is so sentimental to us and always will be. You will always remain in our hearts and thoughts. We love you and always will you'll never be forgotten. R.I.P Mrs. Griffin AKA MOM. We all know you were ready to go and be with our father the good lord and you were not scared to go because you were in the right place with GOD and you knew he loved you more than anything as so did you. Your gonna be very missed here. Love you and will always think of you until we all meet again.
