“ Tom Ed. I was so sad to learn of Peggy's death. Although the years and miles separated us for many years, I will always remember our fun times growing up. We were practically inseparable for many years. I always considered her one of my dearest friends and even though we would go years without talking, when we did we could pickup like it had only been a few days. I know this so hard for you because you and she had such a long and special marriage. Please know you are in my thoughts and prayers.
