“ I remember at ORMA going camping at the beach with you two in the school trailer- sunburned and a wonderful time. She was charming.

“ Dearest Sams Family, when I moved to Memphis with my young daughters I had a Tupperware party and Peggy convinced me to become a”Tupperware Lady”. Her enthusiasm, humor, dedication and wisdom motivated me to join her team and get into the business. I considered her a lifelong mentor and teacher and learned so much from her example. I would like to send my heartfelt condolences to your family. May all of her beautiful memories be for blessings. All my love, Audrey Siskind
