“ *My sister Priscilla was beautiful inside and out...she loved everyone she met and everyone who met her loved her...she is going to be missed but we all know she is rejoicing in heaven with all those that have gone before her...she is resting peacefully and that gives me so much comfort...we talked and she knows I will see her again one day.*

“ I’ve known Gyn and Ciller for 50 years. When you were around her there was no doubt about her love for her saviour Jesus Christ. We always called her our Wal Mart missionary. And we called her that with love. She would always ask everyone if they knew Jesus. I’m sad but also happy, because I know she’s celebrating with our Lord and she wouldn’t change one thing
