“ I want to express my sympathy to you in the passing of your precious mother. You don't know me, but I met her many years ago and made a handsmocked dress, white with strawberry design, for I believe a granddaughter. I had not seen her for many years, but a friend of mine who does hair at the nursing home on Tuesdays talked with her about me. She asked me to come visit, which I did, and she asked me to do two more of the dresses, white with strawberry hand smocked design, for her great granddaughters. I enjoyed our renewed friendship so much. She was a precious person. May God bless all of you at this time.
