“Joyce, I am so sorry to hear about Bob's passing. I only learned about this today (5/5). He was one of the first people that I met when I started to work for SCI back in 1970. He was very helpful to me in doing my job. we shared a lot of interest both being farm people and raising animals.

“To Joyce (and family): I'm sorry to hear Bob passed. I always enjoyed his company and the few occasions I worked with him, he always supported people and offered good advice above and beyond peoples expectation: but often it was what they needed. He was a gent, and a man of rare character. I will miss my friend.

“Joyce, I'm so sorry to hear of Bob's passing. Forgive me for not being at the funeral, I only learned of this last night. Bob was always a pleasant person to work with and just to be around.
