“ Even though he was my first cousin, he was one of the best men I ever had the privilege of knowing. He was the best father, son, cousin, and friend anyone could have. My mother and daddy loved him so much and so do I.

“ Coach Coggins was one of my teachers at Athens High School 40 years ago. No matter where I saw him he always took the time to stop and ask me about my family. He was a great teacher and role model. He will be missed by all that had the privilege to know him. Your family is in my prayers.
