“ David and Family,
I just realized that Robert was your brother. Although, I did not know him, I read an article today in the little Star newspaper about what a wonderful person he was. I am so sorry for your loss. It is hard to accept a sudden loss of a family member. My heart and prayers are with you and your family.

“ My sincerest sympathy goes out to the friends and family of Robert. It is such a difficult thing to deal with. As time goes by, you will begin to realize that as you think of his smiles, his love of his family, his laughter, the pain will have diminished a bit and you'll find yourself smiling again. I didn't know him personally but, having lost someone dear to me, I can empathize with the pain you have and are experiencing. What comfort such scriptures as John 5:28,29 brought me! You will read there about the promise Jesus gave of resurrecting our loved ones back to life. When he resurrected His friend Lazarus back to life (John 11:38-44) He showed his ability and desire to fulfill that promise. Can you just imagine the joy Lazarus' sisters felt when they held him in their arms once again? This joy we too will feel in the very near future. Until that day comes, we have the promise that God will draw close to those whose hearts have been broken (Psalms 34:18) I truly hope these few scriptures have helped lessen the pain you feel as they had mine.
