

## Robin Shen Hu

May 26, 1975 - July 2, 2014

The only child of Douglas and May Hu of Athens, Alabama, originally from Taiwan, China, both deceased.

Robin's father Douglas was the fifth of eight children. Robin is survived by six of these aunts and uncles, along with 16 cousins.

Robin's mother May was the youngest of ten children. Robin is survived by 5 of these aunts and uncles, and 18 cousins from May's family.

Robin graduated from Athens High School and was accepted into the prestigious NYU Tisch School of the Arts, one of the 15 schools in the New York University system. There he majored in Cinema Studies and Film Production. He continued to live and work in New York City until his failing health forced him to return home to live with his mother in 1998. Robin's health continued to decline and he became dependent on dialysis three times a week until the time of his death.

He was a loving and devoted son who maintained a pleasant disposition and seldom gave in to complaining despite having to endure great pain and discomfort arising from vascular complications of severe diabetes. Chronic dialysis has also drained him of his strength and stamina even at a young age. His unique, infectious laughter, and his gentle caring soul have touched

so many who had the privilege of knowing him. Robin was an accomplished chef, as his father once was, and a devoted Trekkie, crazy about anything “Star Trek”-related. He displayed much kindness and generosity, traits surely learned from his parents. Robin is fondly remembered by his family and friends and will be truly missed.

Visitation will be Thursday, July 17, 2014 from 7:00 p.m. until 9:00 p.m. at Limestone Chapel Funeral Home.

In lieu of flowers, contributions in Robin’s memory may be made to the American Diabetes Association, PO Box 11454, Alexandria, VA 22312, or if you wish, do something nice for someone in Robin’s honor.
