“ I had the privilege's of working with Dale at Amoco. He was gifted mechanic that kept us running in the PTA world. He loved his work out here and taught many mechanics the specialties of his working knowledge! We were blessed to have shared a part of his life! Our Prayers go out to your Family and Friends!

“ Dale was always a true friend growing up. We were neighbors and spent a lot of time together riding horses and or bicycles. We wound up working and retiring from the same company after we finished school. We haven't crossed paths recently but I will truly miss Dale. To Dales family: I am truly sorry for your loss.

*Dale had some land behind our home ... after retirement I would see him and we would talk across the fence. Dale always had time to stop and talk a spell. A true gentleman!
RIP My Friend!*
