“ Ole Ronald was a very good friend at work. We worked together several times on jobs at work. He would call me if he needed help on something and I would go running, and I would call him if I needed help and he would come running. I will surely miss him. :-)

“ Ronald you were a great friend and coworker. You always had a smile on your face even when you weren't happy about the jobs I gave you to do. You always said: " Your going to miss me when I am gone" you were so right. The Maintenance shop is not the same without you antagonizing anyone and everyone. I will always be grateful for the friendship we had. Rest in Peace good friend.
