“ Ros was such a sweet lady and a wonderful nurse. I knew her for a short time while working @ LHF. She was truly a joy to be around. I know her passing leaves a great void in your lives. Sending up prayers for her family.

“ I am sorry to hear of Rosalind's recent passing. I have several memories of her and the family; and, can hear her speaking or laughing as I write this message. My thoughts and prayers go out to the family. Rosalind had a sincere desire to get to know you and an interest in how "you" were doing. I always appreciated her regular contact with my daughter Jennifer (her cousin). I know she will be missed by all her love ones. Hugs to all. Janice Calhoun Bonner

“ Allysn, Just wanted to say that I am so sorry about your Mom. She was a precious lady, and a very special friend. We have had some very good times together, too many to count. Sorry I couldnt attend, I have a lot of health problems myself, I have a cast on my foot and a walking boot on the other foot. I was there when your mother had her heart surgery. We have been there for each other so many times. I am praying for you and your family at this time. That God will give you peace and comfort in the coming days, weeks, months, also praying for your Dad. If there is anything I can do for you please let me know.
