“ To Ros's family, I just wanted to share that all of our staff at Auto-Owners express our deepest condolences for the loss of your loved one. He was part of our family, as well. He was deeply committed to Auto-Owners and I will greatly miss his voice over the phone. He was dear to me and his kind spirit and jovial nature will be missed. He would call , and I could always tell who it was. He would say, in his slow southern drawl, "Hey, what cha' doing?" Rest well Ros!
