“ Our sincere condolences go out to Doris and the rest of the Coulter family in the loss of your husband, father, and grandfather, and a very dear friend of mine. Roy or Gene, as I have known him for the 54 years that I have known him, was a friend like no other. If I ever needed Gene's help I know that all I had to do was ask and he was never too busy to help. I will always remember the good times we had as teenagers growing up in the same neighborhood and all the mischief we got into. I will also remember the many days and nights spent at his house with his family.
This is not goodbye to a friend but just a short time apart. I will see you again my dear friend on the other shore!!
