“ My Aunt Jerri.....I can't remember a time when she WASN'T there.....from my earliest recollections, she and Uncle Bennie were always a part of my life! She and my mom were always much more than simply "sister-in-laws".....they were good friends.....they were sort of thrown together by those "inseparable" twin brothers, Billy and Bennie! I reckon that the wives had to tag along because a lot of folks would comment that "we cannot tell which is which unless we see which one is with Jerri and which one is with Polly!" My Aunt Jerri meant a lot to a lot of people! Her pleasant and happy presence will be missed!

“ My thoughts and prayers are with you all. What a sweet, classy, beautiful lady. Special memories of her as a neighbor for many years, and her helping Mr Lovell with building our first house in Sandra Lane.
