“ Shannon worked for me at Marksman Security and at DSI Security. He was a heck of a man and a model employee. He refused to jeopardize his integrity and was always the first one to tell the true story, no matter what. I am deeply saddened to have learned of his passing. Thoughts and prayers to his family and friends.

“ We watched Shannon grow up along with our son. They were best friends. My son is going to get a tattoo of Shannon in his arm. It was taken when the two of them camped out in our son's property. He has many memories of Shannon and will miss him dearly. Rest in peace Shannon and prayers to his Mom and brother 🙏
