“ I am so sorry that I was unable to attend her services. I've always wished I was closer to my aunt Sharon and my Alabama family. Sharon was always so kind and fun to talk to you. Even though we weren't super close because of the distance, I always felt very comfortable around her and my cousins. I loved hearing her stories about growing up with my dad and the stories of Grandma Beck. She was so funny and I forever cherish the times I have spent with her. I am very sorry that my husband never got to meet her, but am so thankful that I got to spend some time with her two years ago on a short family trip. Much love to my cousins Tara and Casey through this very difficult time. I love you. -Marta Beck
