“ I worked with Sherry for many years and she was instrumental in advancing my federal career. She was always helpful to fellow employees and very patient. She was the perfect example of a Christian and not only by word but by the life she lived every day. She was deeply devoted to her family and kept me informed by cards at Christmas and birthdays. She was sweet, kind and a true friend to all. I will truly miss her but heaven will gain an angel. Love, Hope Landman, Fayetteville, TN

“ She was our neighbor, our friend, and like a grandmother to Darlene and I and all of our children. From the first day we arrived over 10 years ago, she has been a special lady to our family. She watched our daughters grow up, and had a special relationship with my little boy Joe. How often he would ask to go to Mrs. Pirtle's house to visit - by himself! I think half the time he would go, get a couple of treats and just watch TV with her. She never seemed to mind. We loved her very much and cannot imagine not seeing her from time to time sitting in her lawn chair, in the garage, and watching the rain come down. Or working on her flowers with Darlene. Or watching Joe as he rode his bike or scooter up and down her driveway. She always cared so much for others - I hope we have been as much as blessing to her as she has been to us. We will miss her very much.

“ I worked with Sherry from 84 till she retired and we enjoyed many rides to and from Athens as we carpooled for those years. She was a great friend and wonderful Christian lady and we shared many pleasant times with our kids and grandkids. Her sister-in-law kept my granddaughter, Michelle Cox for many years. Michelled loved staying with her and she was a wonderful substitute grandmother. I am so sorry to hear of her passing and know that I will be in prayer for Cheryl and Greg whom she loved so dearly. She was a wonderful Christian and took care of her dad and sister . Love June Mann, Huntsville, AL
