“ Sherry was a sweet caring person. Always ready to help someone. I remember when we both were younger and our boys played Little League Baseball. Paul Jr and Randy Bates were the coaches. It didn't matter if the team won or lost it was a good day for friends to get together and have a good time. Sherry always brought those delicious hot dogs for our end of the year party for the team. Those were the best hot dogs I have ever eaten.
We had some good times together on those fields.
She and her sisters had the most beautiful voices I have ever heard.
Rest in peace sweet lady.
