“ *Sherry Sandlin was truly one of a kind — a fiery, tell-it-like-it-is firecracker who kept us all on our toes and absolutely in tip-top order. She wore a tough exterior like armor, but anyone lucky enough to know her knew her heart was pure gold.*

Her boys and her grandbabies were her whole world — no contest. She loved them fiercely, proudly, and without apology, and she talked about them with the kind of joy that lit up the room.

At work, Sherry was the one who made sure things were done right (and done now), whether you were ready or not. You always knew where you stood with her — and honestly, that was one of her greatest gifts.

Bastion Technologies won't be the same without her sharp wit, big heart, and fearless honesty. She will be deeply missed, fondly remembered, and forever appreciated for exactly who she was.

Rest well, Sherry — and thank you for keeping us all in line. 🧡
