“ Dear Bob and Famiy, I am so happy we got to share those years in Germany with Shirley. Going for family get togethers and meatloaf sandwiches. Memories fill my heart with joy, knowing she is with her God and her journey is over. She will always be in my heart and my prayers. Bob we are here for you,, what ever assistance I can be please let my know. I am thankful that we got to hug in August she told me she loved me and I told her that I loved her too. We all must make this journey, the best people I know have done it before me. I know she will be with me when ever or where ever I go. Love you very much Bob.
