“ I met Stan a few years ago when he started working at the Athens Publix. We had many great visits and I found "a great friend" in Stan. He was one that I wished I had met years earlier but we both retired at approximately the same time. I was quite sad to hear the news yesterday from people at the Publix store that Stan had left this place but I know he is now resting in Heaven and is no longer suffering from any physical issues. We wish the family well as they go through this difficult time of losing a loved member of their family.
