“ There so many memories. There no way to name em all. My first deer, the first shot gun you got me. All the camping trips, Talladega Jeff Gordon won that one. The time spent in woods and on water I'll never forget like diving for teeth and cell phone. Most of all for being there for me no matter how good or bad I had done. I only hope and pray I half as good a Dad as you was. Rest in peace Daddy you'll never be forgotten I LOVE YOU!

“ I have had the pleasure of meeting Stevie 15 years ago; and about that time we were dove hunting on what now is Southern Gales neighborhood. At the end of the day we all decided to just shoot some shells, and she was like here try mine. It was a really old 12 gauge automatic; granted it was only three shells but he said unload them all. I did and I'll still remember to this day the kick of that 12 gauge. My dumb self had a baseball game the very next day and I couldn't throw the ball 20 feet. I'll never forget you Stevie Rest In Paradise and Fly High!
