“ A fine, gentle, compassionate man. As a former paramedic, Steve was on the call nearly 35 years ago when my 14-year-old son died in a car accident. His kindness and assurances to members of our family will always be remembered. Although we "fought on opposite sides" this Yankee enjoyed his Civil War stories and dedication to history. Although I had not seen him in recent years, and he wasn't active on Facebook I considered him a dear friend

Our most sincerest sympathies go out to Steve's family. I knew Steve through re-enacting (with the 19th AL) and although on the quiet side he was always a pleasure to be around. May GOD comfort you all especially in knowing that he is in the presence of the LORD.

“ *Steve was a thoughtful and caring person who had a gentle soul. We got to know one another attending Friendship UMC, working together at CDD and sharing our love for motorcycles. A sharp wit and keen mind, Steve was always able to see the bigger picture. The world is a lesser place for his loss.*
