“ *Brother Sonny and all the family, so sorry for your loss. Heaven is even a better place with Suzanne being home with Jesus. She was a fine person and always cared for others. If this world had more like her it would be a brighter light. One of the kindness people I know for she loves the Lord. I remember how she ministered to people, great is her reward. Eye hath not seen, ear hath not heard, nor has it entered into the heart of mankind what God will do for those that love Him and she loved Him greatly. She was always kind to us when I entered into ministry and was a good friend to us. A very encouraging and loving person, she will be missed but will always be in our hearts. May the Lord comfort all of the family, you are all precious people. She will always be a blessing. You are in our prayers. In Christ,
