“ Terry was president of the Chamber of Commerce in 1975 when my then husband, Clare Middleton, was transferred with Saginaw Steering Gear to the new Limestone plant. Terry and Peggy spent a day welcoming us and showing us the community and helping us find a house. A couple of years later, we got a small motorcycle and joined Terry and Peggy, Ron and Shirley Woodke, and Bill and Nancy Hodges to ride around the backroads on Sunday afternoons. We called ourselves "The Over the Hill Gang." We became close friends. Fine people.....Karen Middleton

“ Terry and Peggy were two of the sweetest people I have ever had the pleasure to know.

Terry was so kind and thoughtful, and especially when I lost Bobby. I had the privilege of serving on Regions Board with him, and he will always have a special place in my heart.

Some friends just make a lasting impression on you.
