“ To the family of *Thelma Fliszar*. She will be sorely missed .A special lady. She and my mother knew each other very well years ago. They were good friends. *Thelma* would always ask me how my mother was doing. She always had a sweet smile on her face .I will miss her, but I know her pain is no more. For she is in the hands of God now. Rest in Peace *Thelma*. I loved you . and I will see you again.
