“ I worked with T.R. for seven years on Operations Group 1 at TVA's Browns Ferry Nuclear Plant. He was one of Operation's most memorable characters (in the best sense)!

T.R. served in the U.S. Army in Vietnam as a Specialist 4, Infantryman (11B), at the height of the war 1968 to 1969 in one of its best-known units, the Seventh Cavalry:

A Company
2nd Battalion
7th Cavalry Regiment
3rd Brigade
1st Cavalry Division (Airmobile)

His combat decorations include the Combat Infantryman Badge, Bronze Star Medal, Purple Heart Medal, and Air Medal.

It was great pleasure to talk to T.R. at a luncheon for old TVA Browns Ferry retirees just few weeks ago. I had hoped for many more such.

Goodbye T.R., old friend. You will be missed. Rest In Peace.
