“ I am a Peggy Dotson, a first cousin, and the daughter of Billy Watson's older brother, Harold Thomas Watson. I used to see Timmy at Granny Watson's house in McEwen, TN years ago. I am 12 years older than Timmy, so he was just a toddler the last time I saw him. I know that he was a good person, and his mom, Dean, told me she was very proud of him when I talked to her a few years ago. I am so sorry for his loss, and I know he will be missed by all his family. I send my love to his wife and children, Aunt Dean, Cindy, Bill, and Mike. Our family is scattered, but we all feel the loss when one of us passes on. Timmy is in God's realm now.

“ To the family of Tim Watson,

*I offer my deepest sympathy and prayers at the passing of your loved one Tim Watson. Tim was an extremely accomplished and very professional furnace system technician for all of the years that I had the pleasure to work with him dating back to the late 1980's at Holcroft and later at AFC-Holcroft. I always knew that Tim would make sure that the projects he worked on would come to a successful conclusion and they always did end successfully. I will miss my association with Tim. While I never had the chance to meet Tim's family, he often spoke glowingly of you all. I recall that Tim was always unavailable in the 3rd week of September every year to make sure he attended the annual family retreat. This I believe was a wonderful testimony to his love for you - his family.*

*May God be with you and may Tim's soul rest in peace. I hope we all will have a chance to meet again in God's Heaven.*

*Deepest sympathies,  
Jak Kozma*
