“ Precious brother, you came to us while Daddy was fighting that WW II Battle and didn't even get to see him until 1945 when the war ended!! He sure was glad to see his first son!!! So many precious notes to you, Mother, and me while he was in Germany and Italy in the war when he had the opportunity. He called you darling baby on the back of your pictures mother sent him!!!! You were so special to all the boys as they came along. helped take care of them, had to get off the school bus and get baby Dale when he would dart back off the bus after getting on to go to school!!!! I am so thankful I finally found the courage to share some memories!! Could share a lot more but I miss you and Linda so much and am so thankful you both were Christians and loved our Saviour so much!!! Surely hope to see you again for eternity along with our loved ones that have gone before!! "What A Day That Will Be"!!!! Much Love , Alice
