“ I haven't seen Will Ed for over 50 years. We went to Piney Chapel together. I have been gone since August 1970 and only come back to visit family. 2 years ago a classmate told me how to find him. I went over to his house on a Sunday afternoon and we talked for over 30 minutes. I was so happy to see him. This is another fond memory of him. Andy Croley

“ There will never be a day I won't think about you. I miss you so much. You were the best daddy a girl could ask for. Theres so many memories I could add on here but my two favorites are the day you walked me down the isle and anytime you would interact with your grandchildren. You were the strongest man I've ever known. I LOVE you daddy and I pray you had a joyful reunion with ur dad, mom and brother...R.I.P DADDY
